SAGA

A high-angle, sepia-toned photograph of a large crowd of students gathered in a school courtyard. The students are dressed in 1980s-style clothing, including sweaters, jeans, and button-down shirts. They are engaged in various activities, some standing in groups, others walking, and some sitting on the ground. The courtyard is paved and surrounded by trees and a building in the background.

STUDENT BODY

In The Spirit Of '80

We have had a great year at Garey High School as many things were accomplished, thanks to the hard work of the student body, the faculty, and our new administration.

This year the students and faculty have been closer than ever before. We have kept our traditions but also have incorporated many new ideas into our activities. As the Saga went to press, we looked forward to our Christmas Week and Backwards Week activities being just as rewarding.

A special word to the seniors. When it's our turn to graduate, we will wear our cap and gown for only a few brief hours, but we will carry our memories of Garey High School forever. I would like to wish all the students and faculty good luck. I hope all of your years will be just as rewarding as mine have been.

In the spirit of '80,
Bennie D. Buggs, ASB President.

"Class Of '80 The Best"

As the president of the class of 1980, I would like to thank each and every one of you for giving me the opportunity to serve as your class president during our senior year.

Our freshman year was rather exciting and unusual. Instead of being apathetic, we showed, under the guidance of Mr. Neil Romero, that we were the best by taking part in school activities and by earning the "Class of the Year" award.

Our sophomore year was even more exciting. We were, by then, acquainted with the customs and procedures of our high school and we were ready to earn "Class of the Year" for the second year in a row.

When our junior year came, we were all enthusiastic about the fact that we had only one more year to go. The 1979 prom was given by our class and it was a huge success. It was judged to be one of Garey's best proms. It had to be the best; we gave it! The outstanding prom was only one achievement that led us to become class of the year for the third consecutive year. There was no stopping us then and "there ain't no stoppin' us now."

Our senior year has been the best year of all and your cooperation and participation was greatly appreciated. I would like to give special thanks to Mr. Garcia and Mr. Rizzi for letting me talk them into so many things to make our class number 1. I enjoyed my four years at Garey High School very much. I feel Garey is the best high school in Pomona and it has a lot of good things going for it. I was pleased to be a varsity cheerleader for two years and to support our athletic program and represent our school.

Even though it seemed only yesterday that we had come to Garey, the time had come for us to think about the future. We must now continue life elsewhere. We will carry the memories of our fun-filled high school days with us and make plans for our future. May all of your future dreams come true. I wish all the graduates of the class of 1980 all the luck in the world and whatever you do, always remember the class of '80' will be known as the BEST!

VARSITY WERE HARD TO STOP IN S.A.L. ACTION

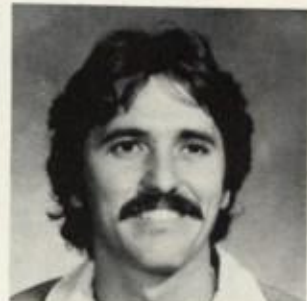

There was no stopping the Vikings in San Antonio League action. There were times during the season when the opponents tried to hold down the mighty Vikings, but the Vikings triumphed in League play and ended the season as League champions. The victorious Vikings were finally stopped by the Claremont Wolfpack in the C.I.F. quarter finals, by a score of 18-15.

The season was highlighted by many glorious moments. One of these moments occurred when the Vikings played against the Alta Loma Braves and the score was tied 14-14. In the fourth quarter with four minutes remaining, fullback Duncan Tuitau dashed up the interior of the line for the winning touchdown.

The season had its disappointments also. One of these happened when the Vikings lost by two points to one of their cross-town rivals, the Pomona Devils.

Along with assistants, Coach Lucas, a newcomer to our coaching staff, turned the Viking squad into a winning team.

Two top members of the Viking squad received top honors in the All-S.A.L. Team. The members chosen were wide receiver Shephard Killen, offensive player of the year, and Duncan Tuitau, who shared defensive player of the year. Other Vikings who were chosen for the All-S.A.L. Team were as follows: first team offense, Darrell Irons, Carlos Diaz, Carey Shephard; first team defense, Micah Sims and Darrell Ford; second team offense, Dean Shephard, Darryl Tirsworth, and Cecil Dixon; second team defense, Jimmy DeWitt, Ross Hutton, Glenn Cain, and Anthony Haire.

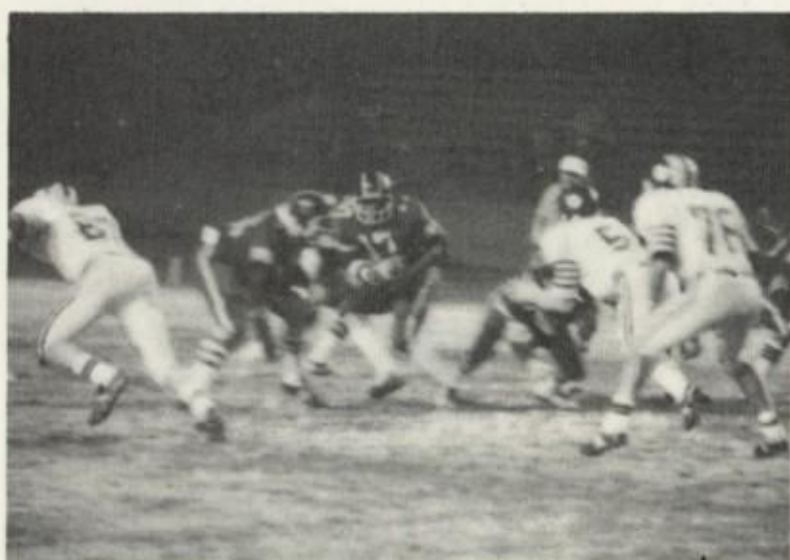

The Varsity Coaches are, top row, l. to r., Coach Lucas, Headcoach; Coach Eskoda, Coach Young; second row, Coach DeShane, Coach Cunningham.

Sal League Title Seized By Viking Frosh

Under the command of new enthusiastic coaches, the Frosh Squad recaptured the SAL title held by the Vikings two years ago. Coach Carillo praised the outstanding performance of Demtriss Williams, Timm Carr, and Joe Larson.

The outstanding coaching team of Carillo and Rashan was joined by Dr. Ira Krinsky, Deputy Superintendent of Schools, who took time out from his important duties as second in command of the Pomona Unified School District.

HARRIERS RAN ALL THE WAY!

The 1979 Varsity and Junior Varsity Cross Country Team ran all the way to C.I.F. this year. Coach Fernando Canedo announced that the J.V. runner Hector Hernandez was the most valuable runner this year. Also, he stated that the most improved harrier this year was Varsity runner David Western. Carlos Reza won the coaches' award for having the most spirit and pride.

Assistant Coach Jose Ramirez put the Garey runners through their paces every day. Coach Canedo praised his assistant for assiduous effort.

Volleyball Ranked Third In SAL

Good but not best, yet, the 1979 Varsity Volleyball team finished the League season in third place this year. This year's team had only three returning players, Lydia Cooks, Sally Hernandez, and Teresa Hire. The new coach, Mr. Mark Rigney, kept faith in his team and watched the women score four wins. These wins were scored against Chino and Ganesha once and against Montclair twice.

All of the new players for this year, LaSonia Bender, Cheryl Castaneda, Delores Jimenez, Sharon McNeill, and Angela Simkins, will be returning next year. Also returning next year with hopes for first place in Sal League will be Coach Rigney.

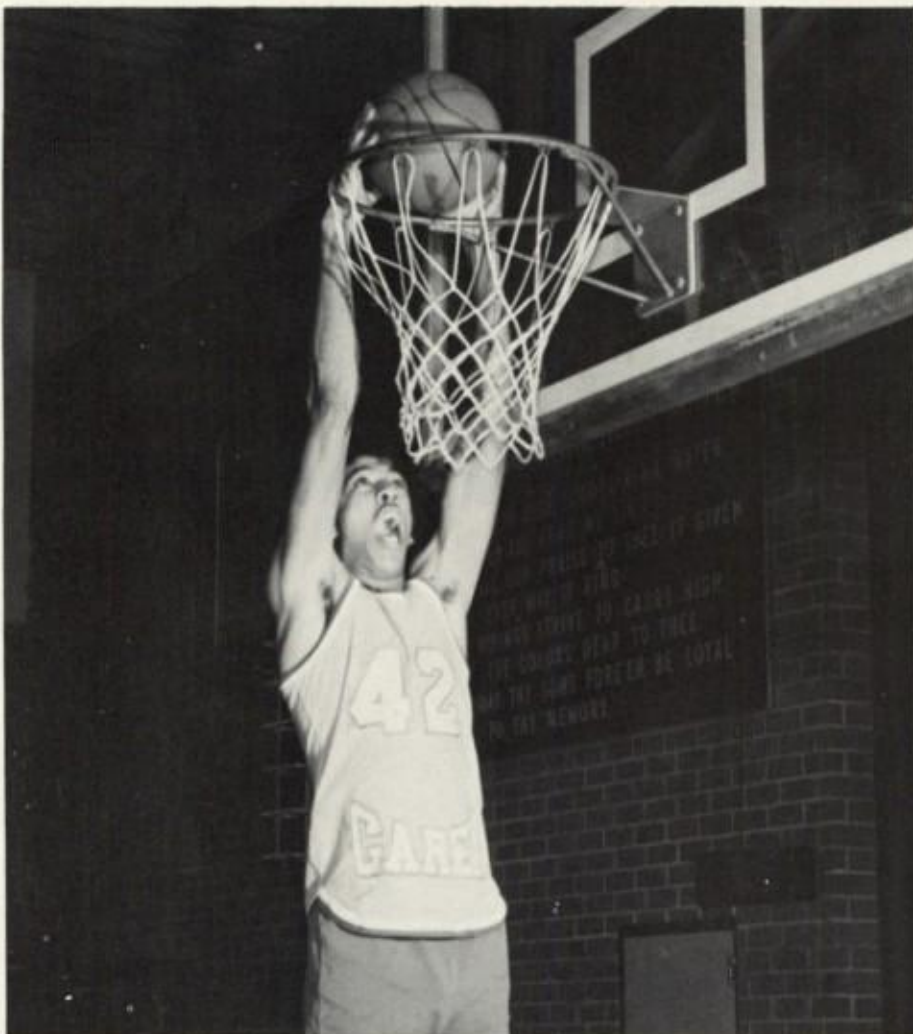

The Volleyball Team are, top row, l. to r., Coach Mark Rigney, Angela Simkins, Sharon McNeill, Lydia Cooks, Cheryl Castaneda; row 2, l. to r., Delores Jimenez, Heather McMurdo, Teresa Hire, LaSonia Bender, Sally Hernandez.

SAL Champs Go Two Rounds In CIF Playoffs.

The 1979-80 Varsity Men's Basketball Team took the S.A.L. crown and advanced into the second round of C.I.F. play-off's. The team finished with an 11-1 league ledger, with the only loss coming in the final game of the campaign, against crosstown rival Ganesha.

The Vikings clinched the title with three games left in the season. It was a come-from-behind victory at Montclair, the final score being 66-59.

In the opening round of the C.I.F. playoffs, the squad went head to head with a game against the Arlington quinter. It took two overtime periods, but our Vikings finally put the Lions to rest 87-83. The home crowd was enthusiastic in supporting the hard fighting Vikings.

Second round play was against Brea-Olinda at Valencia High. The Wildcats attacked the Garey five from the onset and never quit. The result was a never-in-the-lead-through-out-the-game loss for our Vikings, 72-67.

The past season marked the ninth consecutive year that Garey's varsity cagers reached the C.I.F. playoffs. And supporting 11-1 league record in the S.A.L. in its final year of existence is a marked achievement.

Wrestling Season

The Wrestling Team had a fantastic season, both in individual and in combined records. Although they suffered four losses in their practice games, when football season was over and the team was reorganized, the scoreboard began to favor them. With Coach Marti's training program, Randy Farris (wrestling at 106 lbs.) led the team in wins with Tony Lizama (at 123 lbs.) providing more than 24 wins for the team. Marty Ayres (at 98 lbs.) had an outstanding season and along with Duncan Tuitau (in the heavyweight division) led the team with their fine records. Other team members with very good averages were Danny Perez (at 115 lbs.), Anselmo Olmos (at 130 lbs.), and Sergio Contreras (at 136 lbs.)

The team's tournament results were fantastic this year with a second place trophy, and fourth and fifth place titles. The wrestlers also placed second in the Victor Valley Tournament.

"Spoon River Anthology" was written by Edgar L. Masters. It is about various people who have lived in a town called Spoon River, but have died. These people have a chance to come back to life and tell others how their lives were.

In "Spoon River Anthology" some of the actors and

actresses are required to sing. Some of the music in the play was composed by Mr. Jadrich, our own band director, and his wife.

Opening night was March 13th, and there were four performances, all taking place in Garey's Little Theater.

"You Can't Take It With You"

For this year's fall play, Mrs. Darkemeyer's drama group presented the Kaufman and Hart production "You Can't Take It With You". The play, written in the late 1930's, deals with a family of people happily deranged from reality. This family consists of a tax-evading, tomato-juggling rat-catching grandfather; his daughter Penny, self-styled painter and playwright; Paul, husband of Penny and maker of fireworks (assisted by Mr. Depinna the iceman); Ed and Essie who respectively play the xylophone and dance; and Alice, the daughter of Paul and Penny and the one normal member of the family.

During the course of the Pulitzer Prize winning production, the Vanderhof-Sycamores are confronted with a Russian dance instructor named Kolenkhof; an irate tax collector; the snooty parents of Alice's beau Tony; Donald, the maid Rheba's boyfriend; several G-men; a drunk and disorderly actress; and the Grand Duchess Olga Korrina.

In the end, the main confrontation is between Grandpa Vanderhof and Tony's father, Anthony Kirby, Sr. Grandpa argues that Mr. Kirby is not relaxed enough, that he wastes too much time doing things he doesn't want to do. Though Kirby debates with great force, Grandpa's basic common sense overcomes him in the end, and he is liberated even as he is defeated. The moral of the play? Relax and enjoy—you can't take it with you.

History

Month

Activities

February 1, 1980, was the beginning of our Black History Month at Garey High School. It began with readings of famous black historians each morning on the school bulletin for the entire month. B.S.U. President Bennie Buggs worked hard all month to get the Black History Program together. There were not many activities happening on campus, but a lot was going on behind the scenes. The program was a smashing success. It was performed at schools such as Centennial High in Compton, Lexington Elementary, Fremont Jr. High, and Perris High. Again, it was known as one of Garey's best assemblies.

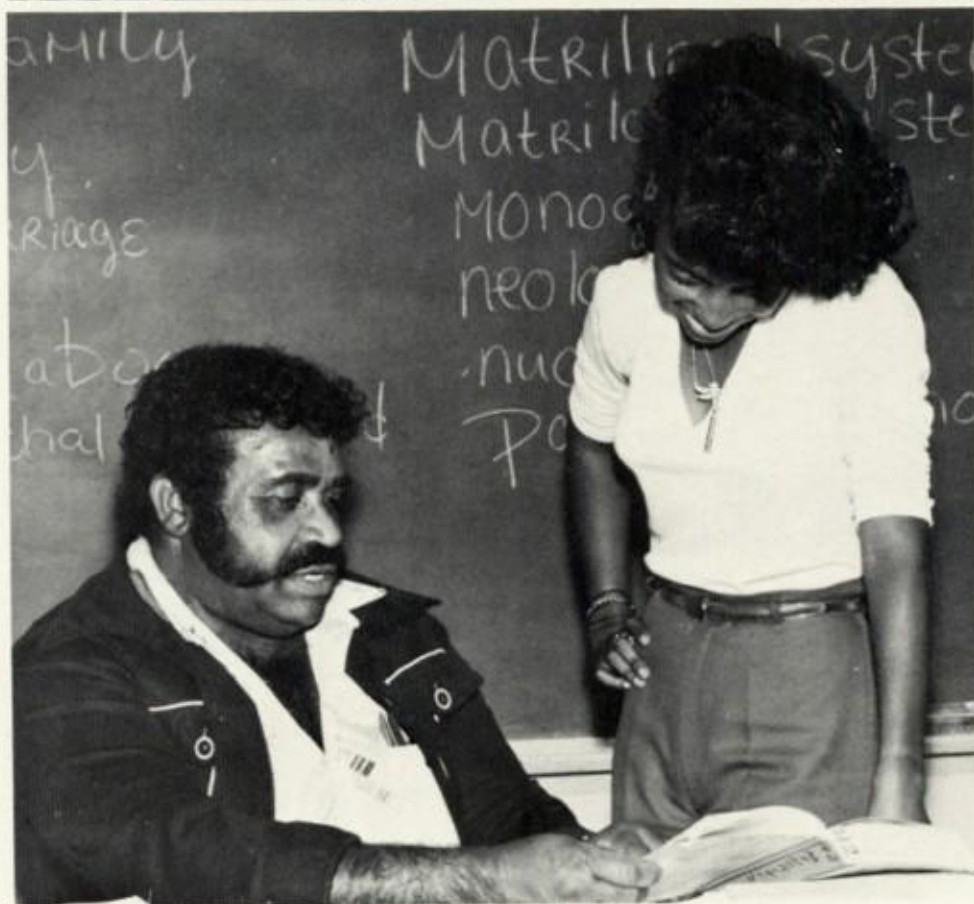

The B.S.U. Court was selected on the basis of how active the persons were. Tillie Carr was crowned queen and her court was Karen Brown, Nina Clinton, Cassandra Hollis, and Rhonda Renfro.

The Black Student Union - now known as the Young, Gifted, and Black Club - would like to thank everyone. Also, they would like to give special recognition to Mrs. Roberts for advising them this year, and to Mrs. Irving and Ms. Murphy for all their help.

**"... A NEW
BEGINNING..."**

Nineteen-eighty will mark a new beginning in the history of Garey High School. In addition to a new administration, there have been numerous changes in the entire program. Such changes will continue as we strive to make Garey High School the school it should be. We still remain far from our desired goals; however, if we pool our efforts, I am sure we will see our goals accomplished.

I am proud of our student body. Most of you have worked hard to excel academically as well as athletically. Your rewards will come in the form of recognition, grades, scholarships, future education, and career accomplishments. Those of you who are seniors will be sincerely missed. I wish you success in all of your future endeavors. To the rest of you, I want to challenge you to strive to improve your academic skills as well as your spirit of friendship, happiness, and good will.

Congratulations to the yearbook staff and to Mr. Fischbach for all their efforts in creating such a fine yearbook.

HOURGLASS

We all have our own hourglass
 Made to measure our life.
 For some, the sand falls slowly
 Only one grain at a time.
 For others, it seems
 As if it's over
 As soon as it's begun.
 I never could understand
 Why some have more time than others
 And I probably never will.
 It's just so hard to bear
 When a friend's time is over.
 It's all in God's choosing
 How fast the sand will fall.
 But He will turn the timepiece over
 And allow the sand to flow.
 Nothing will ever stop it
 In the flow of eternity.

We made a name for ourselves at Garey in the '79 '80 school year "Proud." We witnessed almost all of our sports teams take the crown or reach C.I.F. playoffs in the last year of the San Antonio League. That was a great accomplishment. Because of this high morale created in the school we also saw more student involvement than in the past few years and we set an example for the next school year.

This is Garey High School's book and record. I am proud to have been an instrument in its publication. I hope that everyone will learn from the experiences gained this year at Garey.

Many thanks go to Wayne e Moore Photography Jack who got us pictures at a moment's notice, Celeste and Helen for all the work they did, and Wayne for the cameras and help. I am also grateful to Jan Clouser who worked with me ALL the late hours and weekends and supplied encouragement.

And now with renewed zest I leave the Saga deadlines behind me and bid good bye to Garey High School. I really had fun. I hope you enjoyed reminiscing with me.

Sincerely,

Beverle Hope

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text notes that without reliable records, it is difficult to track progress, identify issues, and make informed decisions.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It mentions the use of surveys, interviews, and focus groups to gather qualitative information, as well as the application of statistical software for quantitative analysis. The importance of ensuring the reliability and validity of the data is stressed throughout this section.

3. The third part of the document describes the process of interpreting the results of the research. It highlights the need to consider the context of the data and to be cautious about drawing conclusions. The text suggests that researchers should look for patterns and trends, but also be aware of potential limitations and biases. It encourages a critical and open-minded approach to the findings.

4. The fourth part of the document discusses the implications of the research for practice and policy. It suggests that the findings can be used to inform decision-making and to develop strategies to address identified issues. The text emphasizes the importance of communicating the results effectively to relevant stakeholders and of being transparent about the limitations of the study.

5. The final part of the document provides a summary of the key findings and conclusions. It reiterates the importance of accurate record-keeping and the need for a systematic approach to data collection and analysis. The text concludes by expressing confidence in the value of the research and its potential to contribute to a better understanding of the issues at hand.
